CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

1. PURPOSE

- 1.1 The Department of Environment Forestry and Fisheries (DEFF) seeks to invite experienced and suitable Project Management service providers to coordinate the implementation of Expanded Public Works Programme (EPWP) Driver Development Programme in various District Municipalities towards obtaining learners licences and driving licence for Code EC and Code C1 for **Limpopo Province**.

2. INTRODUCTION AND BACKGROUND

- 2.1. Environmental Protection and Infrastructure Programmes (EPIP) is the main Programme through which the department contributes to the government's Expanded Public Works Programme (EPWP). For this purpose, the Department implements poverty alleviation projects through Implementing Entities to address the following:
- job creation,
 - skills development,
 - development of SMMEs
- 2.2. Departments were called upon to create EPWP projects to equip participants with training interventions which should enhance their ability to earn a living in future and ensure that workers attain relevant and marketable skills. It further suggested through the Code of Good Practice that training Programmes should be accredited. Training should be project specific and open opportunities for employment and further training at the end of the project.
- 2.3. Through engagements with the private sector on the skills gaps necessary to prepare youth of South Africa for employment, driver's licences were mostly recommended as the common skill that is needed for all employment opportunities.
- 2.4. The department has undertaken to take young people through training in the form of learners licence testing, driving lessons so as to obtain drivers licences. The participants have been already selected by the department and are located in various District Municipalities throughout South Africa. Whilst some could have already obtained the learners licences and/or drivers licence the number should be very small since the selection process has been finalised.
- 2.5. The earmarked trainees will be trained in the District Municipalities and the Local Municipalities within the Limpopo Province as outlined in the table below.

DISTRICT	LOCAL MUNICIPALITY	LOCATION	PROVINCE	LEARNERS WITH NO LEARNERS LICENCE	LEARNERS WITH LEARNERS LICENCE	CODE C1	CODE EC	TOTAL PER DISTRICT
