CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

1. PURPOSE

- 1.1. To appoint the service providers for the supply of tools of trade to the department of environment forestry and fisheries for the municipal cleaning and greening programme as part of economic stimulus package towards covid-19 response for North West Province

2. INTRODUCTION AND BACKGROUND

- 2.1. The Department of Environment, Forestry and Fisheries (DEFF/The Department) is entrusted with a crucial legislative mandate to ensure all citizens within the Republic of South Africa live in an environment that is not harmful to their health and to have the environment protected for the benefit of current and future generations.
- 2.2. The DEFF has over the years through reasonable legislative and other means endeavoured to ensure that the right to an environment that is not harmful to health and protection of the environment are achieved. COVID-19 not only a global pandemic and a public health crisis; it has also severely affected the South African economy. South Africa has experienced significant reductions in income and a rise in unemployment rate.
- 2.3. It is quite evident that littering and illegal dumping are some of the most common problems in South Africa affecting all provinces. Ineffective waste management practices can affect the well-being of the affected communities and this can be further exacerbated by the increased illegal dumping and littering.
- 2.4. His Excellency, President Ramaphosa has announced the plans by Government to catalyse economic growth under the stimulus package, the economic stimulus and the Mass Public Employment recovery plan seeks to address the impact of Covid-19 pandemic to the citizens of South Africa who have been affected unemployment.
- 2.5. The DEFF has realised that more efforts are needed if the environment is to be protected from pollution and has conceptualised a national Municipal Cleaning and Greening Programme. The aim of this Programme is to fight the environmental degradation and ensure that our country is free from litter and illegal dumps, and this will be done through mass public employment of the unemployed with a special prioritisation women, youth and persons living with disabilities.
